The Director,

Subject: Resignation from the Post of Assistant Professor (Political Science)

Respected Sir,

With due respect, I hereby tender my resignation from the post of Assistant Professor in the Department of Political Science at Hukumchand Noble Institute of Science and Technology. I have been privileged to serve this esteemed institution since 05 August 2020, and my tenure here has been a period of significant academic growth, professional development, and meaningful engagement with students and colleagues.

I express my sincere gratitude to the management for providing me with a supportive environment that encouraged excellence in teaching, research, and academic service. The opportunities and experiences gained during my association with the institution will remain invaluable throughout my professional journey.

After careful deliberation, I have decided to resign owing to unavoidable personal and family responsibilities. My in-laws are presently suffering from multiple health-related ailments and require continuous care and support. In addition, certain family circumstances demand my active involvement, while my child's educational needs also require greater parental attention and commitment at this crucial stage.

This decision has been difficult, as I hold the institution in the highest regard. I respectfully request you to accept my resignation and relieve me of my duties in accordance with institutional norms.

Thank you for your understanding and support.

Yours faithfully,

Ms. Pinky Sankhla
